

Sheet No. 3

Box No. VIII (iv) **INVENTORSHIP** (only for the purposes of the designation of the United States of America)  
 The declaration must comply with the following standardized wording provided for in Section 214; see Notes to Boxes Nos. VII, VIII (i) to (iv) and to Box No. VII (b). If this Box is not used, this sheet should not be included in the request.

**Declaration of Inventorship** (Rules 4.17(iv) and 51bis 1(g)(iv))  
 for the purposes of the designation of the United States of America

I hereby declare that I (we) am (are) the original, first and sole (if only one inventor is listed below) or joint (if more than one inventor is listed below) inventor(s) of the subject matter which is claimed and for which a patent is sought.

This declaration is deposited with the international application of which it forms a part (if filing declaration with application).

This declaration is directed to international application No. PCT/..... (if furnishing declaration pursuant to Rule 2ater).

I hereby declare that my (our) identity, mailing address, and citizenship are as stated next to my (our) name.

I hereby state that I have (we have) read and understand the contents of the above-identified international application, including the claims identified in the request of said application, in compliance with PCT Rule 4.10, any claim to foreign priority, and I have identified below, under the heading "Prior Applications," by application number, country or Member of the World Trade Organization, day, month, and year of filing, any application first parent or inventor's certificate filed in a country other than the United States of America, including any PCT international application designating at least one country other than the United States of America, having a filing date before that of the application on which foreign priority is claimed.

Prior Applications: 50/411, 1981 filed August 29, 2003 and 50/498,988 filed August 29, 2003.

I hereby acknowledge my (our) duty to disclose information that is known by me to be material to patentability as defined by 37 C.F.R. § 1.56, including information which became available between the filing date of the prior application and the PCT international filing date of the continuation-in-part application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
